International Business and Economics

PROFESSIONAL EXPERTISE

Jessica Downie is Transaction Manager with Savills Calgary office, where she works with a team providing sophisticated workplace advisory services to companies and organizations across Western Canada. Specializing in tenant advisory, Jessica joined Savills from Cresa, where she built an outstanding record of customer service over three years as an advisor to tenants in the financial services and energy sectors.

Prior to joining Cresa, Jessica worked in various customer service and marketing roles with leading companies in the energy industry, including Unified Valve Group and Xtend Energy Services Inc.

AWARDS, ACHIEVEMENTS AND ACTIVITIES

Jessica has volunteered as a caregiver with the Alberta Animal Rescue Crew and as an event promoter for Strutting for Survival, a fundraiser to support the Cancer Recovery Foundation of Canada.
